COMETS WIN OPENER

In recent league opening game here at the Opera House our Comets tramped the Magrath Zeniths 68-43 to open the Southern Alberta "A" boys basketball loop. Lyman Jacobs made his first official debut in the basketball circles after a year layoff as he steered his team to an easy victory.

Our local squad bounced into an impressive 21-7 lead in the first frame and by half time had run up the score to 35-16. The Third quarter saw the flashy Comets score 22 points to Magrath's 10 but fighting back hard in the final canto the Zeniths out scored our boys 17-11 to make the final count read 68-43.

The high flying Gibb boys stole the show as they racked up 31 points between them, 16 going to Bob while Jesse canned 15. For the losers it was Jim Anderson with 10 points and Guy Gibb netting 8.

In the preliminary tilt the Mustangs, playing their second game of the season, bouted over the hapless Magrathites 61-47. Dennis Minion was the big gun with 21 points while Fraser Grant netted 13.

Stepping into a sparse 13 to 10 lead in the initial stanza the "B" boys blew their lead and when the half time bell sounded Magrath was out in front 24-22. In the third frame things broke loose and after a foul cluttered ten minutes of play the score stood at 43 - 38 for Raymond. From there on in they coasted to an easy 61-47 victory. The game throughout was a thriller with a fast moving brand of play exhibited.

Lineup:
"A" team: Raymond - R. Gibb 16, J. Gibb 15, Fairbanks 10, Hicken 7, Hengerson 7, Hirsche 4, Meeks 3, Holt 3, Stone 2, Dahl 1, Vance.

Magrath - Anderson 10, N. Kunimoto 7, D. Kunimoto 3, Gibb 8, Keeler 4, Ririe 3, Arnt 2, Bourne 1, Cook.
"B" Team: D. Minion 21, F. Grant 13, J. Ohishi 10, D. Attwood 8, J. Stetter 7.

JACKS TROUNCE MAGRATH

Big Al West turned in a star studded performance here Wednesday night as he led the pack of hungry Union Jacks to a 83-59 victory. Magrath didn't have a prayer as the power packed line of West, Shaw and Stevens swung into action scoring 66 out of the 83 point and also succeeding in notching all but 1 before the third quarter.

From the opening bell the local cagers took a big advantage of their hapless oponents as they leaped into a 20-10 lead by quarter time. In the second frame Al and his line mates continued to pour on the fuel snipping 25 points between them, running the half time reading to 55-21. The third canto was repetition of the first two with Raymond having the big edge all the way and out stepping the visitors 20-13. The old rivals roughening up the play a bit to give the crowd a thrill. In the last stanza Magrath showed their plucky spirit as they valiently tried what was an almost impossible feat, to win. That last show of life only served to outdo their superiors 25-18 in the last quarter. The final score looked like this: Raymond 83 Magrath 59.

Runner up to Al West for scoring honors was Ray Stevensen with a noble 22 points. For losers was Matkin and Wes Rice who sunk 17 and 15 points respectively.

In the preliminary tussle the Raymond "B" Boys went down to a 43-41 loss at the hands of the R.B.A. The game was a close one down to the wire as the quarter time scores read 17-4 for the Mustangs, 23-23 at half time, 32-31 for the Mustangs and game over score was 43 - 41 for the Busses.

Lineup:
Raymond West 33, Stevensen 22, Shaw 11, Rolfsen 1, Ralph 2, Gough 6, Dahl 4, Brewerton 4, Nalder, Snow McClean.

Magrath: Alston T. 3, Rice W. 15, Rice G. 9, Sabey 10, Matkin 17, Alston C. 1, Pashuk 2, Anderson 2, Ferguson.

When a storm window was put outside a large window that can be opened from inside, the space between the two was used to display a collection of colored glass; a glass tiny lamp, slipper, salt shakers etc all in blue glass. If anyone wonders where Christmas turkeys come from let him (or her) take a short trip out to the Clarence Allred Turkey Farm just south of the canal. This year he will sell about 300 turkeys and if present plans materialize he will raise a thousand next year. We recently had the pleasure of visiting this unique establishment and, although we were not surprised, we were amazed at the racket these birds make when a stranger comes around. It was a very interesting trip for us and we are sure it will interest you.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club in Raymond because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, for example, 217 new Rotary Clubs were organized in 42 countries of North, South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

One of the local Rotary Clubs main projects undertaken recently was the spearheading of the new Memorial Public Library.
